

# Are You Taking Advantage of US Free Trade Agreements:

## Explore the Benefits and Opportunities of FTAs

**NAFTA** was the first US Free Trade Agreement (FTA) with our biggest trading partners, Canada and Mexico. It was just the beginning. The US now has numerous bi-lateral and multi-lateral FTAs. These agreements open foreign markets and expand opportunities for American exporters and importers. **Today, the US has FTAs with 14 countries.** They offer important advantages but you must understand the rules to benefit.
